WOMEN OVER 50 FILM FESTIVAL

CELEBRATING WOMEN IN FRONT OF AND BEHIND THE CAMERA

Welcome to Women Over 50 Film Festival 2016.

At WOFFF we champion the work of older women on both sides of the camera.

Each of the 44 films on offer this weekend has a women over 50 at its centre on the screen or behind the lens in the core creative team as the writer, director or producer.

We're hosting an all-female panel event on women in film and a practical workshop for anyone who'd like to have a go at filmmaking but doesn't quite know where to start.

We're delighted to have many of our filmmakers with us at the festival. We'll be having a short Q&A after each screening so we can hear more about them, their work and their inspiration.

So please sit back, relax and enjoy this year's WOFFF!
